Jasper County Launches "Jasper Ready" App to Enhance Public Safety and Community Preparedness

Jasper County Emergency Management Agency (EMA) is excited to announce the release of its new smartphone app, *Jasper Ready*, designed to provide residents with crucial emergency resources and information at their fingertips. *Jasper Ready* offers an intuitive, user-friendly platform that connects the community to vital services and updates.

With just a few taps, users can access essential features including:

- **Make Your Plan** – Personalize your family's emergency plan.
- **Emergency Alerts** – Receive real-time notifications for local emergencies.
- **Become A Volunteer** – Learn about volunteer opportunities to assist the community.
- **School Threat Reports** – Report and track school safety concerns.
- **Preparedness Material** – Access guides and checklists for readiness.
- **Report Storm Damage** – Submit storm reports directly to local authorities.
- **Contact Us** – Quickly connect with emergency services.
- **And much more!**

"Over 80 percent of people in the United States rely on smartphones as their primary communication tool," said OCV Partner and Chief Revenue Officer Kevin Cummings. "Mobile apps offer agencies a highly effective way to alert, inform, and prepare the public. By placing these resources in their hands, we can serve our citizens directly on their smartphones, where they are most accessible."

Jasper EMA Director Jamey Robinson expressed his enthusiasm for the app's launch, stating, "*Jasper Ready empowers our residents with critical tools and resources to stay informed and prepared for any emergency situation. With real-time alerts, interactive preparedness guides, and essential local information, this app is designed to strengthen our community's resilience and enhance public safety across Jasper County.*"

Jasper Ready is now available for free download on both the App Store and Google Play. Residents can search "Jasper Ready" to find and install the app, putting a full suite of emergency resources directly in their pockets.
